

The Department of Biochemistry, Duke University Medical Center (www.biochem.duke.edu), invites applications for a faculty position at any level. We welcome candidates in all areas of biochemistry and biomolecular sciences. The successful candidate will be expected to establish a strong, independent research program and to participate in departmental teaching and service.

Electronic applications (PDF) should include a curriculum vitae and summary of research interests, and should be sent by Email to: facultysearch@biochem.duke.edu. Recommendation letters, with applicant name in subject line, should be sent by three referees to the same email address. Consideration of applications will commence in November 2009.
